

## A CYCLE OF EXCELLENCE.

20 years ago, Schwinn® launched a phenomenon with the first production bike designed specifically for indoor cycling. The bike set the standard for an entire industry - a standard that we've raised with each Schwinn innovation. Today, Schwinn bikes remain in a class by themselves. Our latest product line is a reflection of our renewed energy and continued commitment to intelligent design, quality manufacturing and authentic riding experiences. So take a look and see why the most demanding fitness enthusiasts in the world ride Schwinn.

**SCHWINN®**

## **GROUP CYCLE**

For **Schwinn®**, the ride started more than a century ago with outdoor cycling. When we moved to the indoor cycling studio, **we brought the feel of the road with us.** Today, we bring the industry more than great bikes, we bring expertise and education that drive it forward. **The best part is, we don't plan on slowing down anytime soon.**

**THE CYCLE OF  
EXCELLENCE CONTINUES**

## TRAINING & PROGRAMMING

Schwinn® has come a long way since building the first cycling bike. Today, in addition to manufacturing premium cycling equipment, we are a global organization of passionate Schwinn Master Trainers who educate thousands of instructors around the world every year. The bikes in your cycling room are only as good as the instructors who teach on them, that's why we are committed to developing cutting-edge programming and providing tools that can help any instructor elevate their class experience.
